CON 334

• Advanced Contingency Contracting Officer’s course develops Contingency Contracting personnel to successfully lead a Contingency Contracting Office in any Area of Responsibility (AOR) during any contingency phase.

• Target Audience: Contingency Contracting officers in leadership/supervisory positions.

• Prerequisite:  CON 234

• Length:  4 days

• Delivery Method:  Resident

PURPOSE OF COURSE

• To fill a gap in training of Contingency Contracting Officer Leadership

• Using briefings, class discussion, min-caselets, exercises and scenarios, improve the ability of Contingency Contracting personnel to address a myriad of issues and successfully lead a forward deployed office
CON 334 Course Topics

• Available tools/information for Contingency Contracting leadership
• Ethics
• Crisis Action Planning
• Joint Acquisition Review Boards
• Performance Based Acquisition/Formal Source Selection
• Contract Performance
• Redeployment
• Hot topics/Issues
Course Availability

• Student pilot held 17-20 August 2009
• First scheduled course 16-19 November 2009 at Ft. Belvoir (will act as pilot for all updates)
• FY10 limited course offerings will start 2nd QTR
• FY11 course will be included in the catalog
• FY11 two course offerings per quarter
